Senior Portrait Information Guide - Page 2

Mark the time honored tradition of senior portraits with a portrait session by Blu Moon Photography. We want you to enjoy your senior portrait session by providing you with a relaxing, fun experience guided by an experienced photographer. A senior portrait session with multiple outfits gives you a greater variety of photos to select for things such as graduation announcements, senior slideshows, and keepsake gifts for friends and relatives.

How do I know which portrait session to choose?

- It depends on your personal preference, however, the majority of our seniors choose a session that includes personal outfits.
- ALL personal outfit portraits are taken outdoors in natural light. Once you see our gorgeous three acre property, with numerous outdoor set options and styles, you'll understand why we're the most unique senior portrait photographer in the area!

 - Select your favorite yearbook pose online after receiving your email notification (*approx 3-weeks after your portrait session*).

 - The yearbook photo is a **FORMAL PORTRAIT** and a specific dress code is required. Non compliant seniors will not be photographed.
 - **Guys:** A button down dress shirt, tie, and suit jacket (we have white shirts, black jackets, and ties up to size XXL if needed)
*Please make sure your clothes fit properly and your tie is pre-tied. We can't guarantee someone will be able to tie your tie.

Tank tops, camisoles with spaghetti straps, strapless tops, polo shirts, hoodies, and t-shirts are NOT acceptable

What do I bring to my Personal Outfit Session?
